

South Eastern Region 72nd Anniversary Meet 2020

Pennon Design Competition

Dear Camping Friends

South Eastern Region's 71st Anniversary 2019 meet's theme is "Alice in Wonderland".

Each year your Region runs a competition for members to design the pennon for the following year's anniversary meet.

I often hear camping member's suggesting good themes for this rally, so for 2020 the Region is giving you the chance to design a pennon depicting your chosen theme.

Helpful guidelines.

The competition is open to all members of The Camping and Caravanning Club, and designs should be submitted to the Regalia Officer by Friday evening of the anniversary meet or via your DA & Section Reps to Region Council. Alternatively, entries can be e-mailed to me at the addresses below but no later than the 11th of May 2019 please.

The theme for the event will be of Your Choice.

The date for the Anniversary meet; - 16th-19th May 2019

The venue; - West Cross Park, Hole Park, Rolvenden Kent.

The design should include the following;

"South Eastern Region 72nd Anniversary Meet".

The Title of your chosen theme.

Venue and Date.

A position for the Club's Logo, (the printers will insert the correct logo.)

Maximum of Two ink colours, on a white background.

Alternatively, One Ink colour on a coloured background.

The inclusion of more than the maximum number of colours permitted may mean your pennon design would have to be redrawn or disqualified.

Hand drawn designs are welcomed, but may be computer enhanced for the final design. All entries will be judged by members attending the 71st SER Anniversary meet 2019

Please include your membership number, full name and contact detail on the reverse of your design.

For further information please contact; Yvonne Leach, Regalia Officer SE Region e-mail: - leachyvonne@btinternet.com

Good Luck
